**Safeguarding. “ Even when the path forward is difficult and demanding, I urge you not to get bogged down; keep reaching out, keep trying to instil confidence in those you meet and who share with you this common cause. Do not grow discouraged when it seems that little is changing for the better. Persevere and keep moving forwards!”
Inspired by Pope Francis’ words, this new child safeguarding policy builds on the foundations of past learning and experiences. The policy provides a new focus on leadership and governance to embed a culture of safeguarding.**

Reflection

“Rivers do not drink their own water;
trees do not eat their own fruit;
the sun does not shine on itself and flowers do not spread
their fragrance for themselves.
Living for others is a rule of nature.
We are all born to help each other.
No matter how difficult it is...
life is good when you are happy;
but much better when others are happy because of you.”
Pope Francis

Signposts on the Path of Peace

To be thankful for the gift of life
Because it gives us a chance to love, to work, and to play;
To be guided by what we admire and love,
Rather than by what we hate;
To envy nothing that is our neighbour’s
Except his/her kindness of heart and gentleness of manner;
To think seldom of our enemies, often of our friends,
And everyday of Christ;
And to spend as much time as we can in God’s out-of-doors.
There are little signposts on the path of peace.
Henry Van Dyke
